ELIJAH AND THE MEAL OFFERING [60-0310]

But one thing that I'm happy about tonight, my wife... As much as we have been together, and she's seen the great visions of God manifested and come to pass. She was down at the river that day at Jeffersonville when the Angel of the Lord made His first appearance; it was packed on the Associated Press across the nation. Been a... It was 1933. She was standing there, but **she heard the Voice but didn't see the Light. Where, even the newspaper photographers saw the Light.** But she was quite young then, and about twelve years old, and she never seen the Light. She was watching the people, many were fainting. And it just stayed there just about one minute and then it went right straight back up into the skies again. And the newspapers put a great article, "Mystic light appears over--over a local Baptist minister while baptizing." Went all the way into Canada, got on the Canada press.

And then about three or four years ago, when I was in Phoenix last, I believe it was Brother Jack Moore was with me, that he kind of... My wife is very timid. And so he called her to the platform, unexpected, and she like to fainted. And she come after I'd already gotten on the platform, and the anointing was there for a healing service. And, she said, **first time she was ever in that Presence like that.** And night before last, she saw Him on the platform for the **first time she's ever saw Him,** when He was here standing at the platform. And when I met her outside she was--tears was in her eyes, and she said, "Billy, for the first time in my life, I saw It." She said, "I... you was praying for a woman," and said, "I seen It just come right before her and stood there just a few moments, moved around where you was at. And then, as soon as you stopped talking, It went away." So I'm happy for that, that It come before her eyes.
