IT WASN'T SO FROM THE BEGINNING [60-1127M]

When he said, the expression he made... I jotted it down on a piece of paper. I'll pick it up out in the office there, **two omnipotents met.** That's true. **When God and a believer meets, there's two omnipotents.** 'Cause God... A man is a part of God. He is a son of God. See? And what little he is joins with the entire body.

And Jesus said over in Mark 11:22, *"If you say to this mountain, 'Be moved,' and don't doubt in your heart, but believe what you have said. You can... It will come to pass."*

See? Believe that what you said, and a Christian is so marked that around him is an atmosphere.

There He stands, the mighty conqueror, Since He rent the veil in two.

You can have what you've said"?*

What happens when two omnipotents meet? When God and man comes together through omnipotence, something's got to shake. Some-... Whatsoever you'd say with that creative power of omnipotence of God, knowing that He's promised it, and He said it in His Word, it creates a power that goes out yonder and brings things to pass, things that is not, it makes, them as though they are, because **two omnipotents have met.** There He stands! Oh, isn't He wonderful!
